MORNA GAUZETTE

February **2015**

President`s Corner

Our group consists of perioperative nurses throughout the province from all surgical specialties. As well as supporting its members in providing safe and efficient care., we work to ensure that our group remains current with new practices and technologies so that the very best care is offered to our patients.

This year is an exciting one for Morna in that it is the first year that our members will be able to join the Operating Room Nurses Association of Canada (ORNAC0. This new membership process will allow all Morna members access to many opportunities offered through ORNAC conference and a "voice" at ORNAC Annual General Meeting held each spring.

Morna strongly supports education through monthly meetings which consists of a business meeting followed by a nutritional break and then our education session. Through Telehealth we are able to include many rural sites in our monthly meetings and are working on increasing this membership throughout the coming year. Our meetings has seen a venue change this year as we made the move to Riverview Health Centre and we look forward to seeing everyone again after a somewhat harsh winter lately. We also host our annual Spring Workshop which not only provides the opportunity for nurses to enhance their periopertive knowledge but also the opportunity for nurses to network within the province. This year, the workshop will be held in Winnipeg at the Victoria Inn on March 7, 2015. For further information regarding the workshop, please contact Jacquie Radtke at jacq.radtke@gmail.com. We do hope you are able o join us.

Finally, we are looking at updating our website in the new year. We hope this will provide an opportunity to not only update

With Best Regards.
