Presenter: Joel Poirier National Product Specialist. Energy & Patient Positioning. AMT Surgical

Joel Poirier is the National Product Specialist for energy and patient positioning from AMT Surgical. Prior to his experience in medical devices, Joel worked as an MSK physiotherapist for 10 years, running his own multidisciplinary clinic and worked alongside sports teams such as British Athletics and Coventry Blaze IHC. His interest in injuries originally began during his own professional hockey career of which he suggests his injury list would be too long for this write up!
